Exam for attending students

Final grade of the exam:

- n. 1 Essay (50% of the final grade)
- Team work – ppt presentation in class (50% of the final grade)
- If you wish to increase your final mark (mathematical average of the essay grade and the ppt presentation grade) and if the professor finds himself undecided on the final mark to give you, on the day of the exam, he might ask you some questions on the program of the course (you will find all the ppt presentation and script of the lessons on the webpage of the course).

Essay (50% of the final grade)

Choose one of the following titles:

1. In your opinion, which could be the solutions to adapt the United Nations system and overcome the stillness caused by veto power in the UN Security Council?
2. Which are the weaknesses of existing international defense organizations? How would you imagine a contemporary inter-state

defense system able to meet the strategic needs of sovereign countries?

3. At the beginning of the 20th century, global common values and shared threats facilitated the creation of modern international organizations. Are today's emerging threats still a bonding glue for the creation of international organizations? The fear of a nuclear war is still a valid threat?
